

Directions to Fleet House

We suggest you look on google Maps where Fleet house can be identified.

Fleet House is located in Porters Wood in the Valley Road Industrial Estate. There are signposts to Valley Road Industrial Estate at the junctions of Beech Road/Firbank Road and Beech Road/Valley Road (opposite Ember Dining at The King William public house) and at the junction of Hatfield Road/Beechwood Avenue when approaching from Ashley Road.

From Watford/M1 (Watford Road) / Radlett (Watling Street)

At the King Harry public house/St Stephen's church (double mini-roundabout) turn into King Harry Lane and follow the road to roundabout, take third exit (Hemel Hempstead Road), past Roman wall on left/St Michael's church on right, straight over next main roundabout into Batchwood Drive, straight over several mini-roundabouts, straight over crossroads with traffic lights (Ancient Briton/Harvester restaurant on right) into Beech Road. Take first left into Firbank Road. At junction with Valley Road turn left.

From Hatfield / London Road/A414

Approaching via Drakes Drive/Ashley Road/Hatfield Road (signposted Valley Road Industrial Estate at junction with Beechwood Avenue), at double mini-roundabout turn right into Beechwood Avenue, straight over crossroads (traffic lights junction with Sandpit Lane) into Marshalswick Lane, keep straight over mini-roundabouts, past Marshalswick shops on right, straight over crossroads with Sandridge Road/St Albans Road (King William public house). Turn right immediately after crossroads into Valley Road (Majestic Wine warehouse and Shell petrol station at junction).

Directions from Valley Road

Drive along Valley Road and follow round the right-hand bend into Porters Wood. Approximately 100 yards on the left there is a postbox. Almost immediately opposite turn right into Parkway – there is a sign for Cedar Court, Parkway. Follow the road down the slope to the bottom and turn left (one way). Fleet House is Unit 10 (on the right) and there are numbered parking bays just past the building on the right.
